Commonly known as Hustler Joe Lives using his face and body as his weapons. His mother Lily was the Yokosuka Idol

STORY

Otoji came to Yokosuka, searching for his missing brother Seiichi, and met the mysterious "Hustler Joe". Otoji was troubled by Joe's liberal lifestyle, but he also fell head over heels for the latter. Meanwhile, Otoji obtained a gun with which to avenge his brother's supposed death at the hends of Tokiwa Syndicate's Nedu. However, Nedu was gunned down in the midst of a internal gang upheaval. Finally giving up his thirst for revenge, Otoji decided to stay on in Yokosuka to find himself anew.

At the same time, the 4th generation leader of the Tokiwa Syndicate, Tokiwa Tooru, appeared in front of a Joe who was trying to break his bonds with Otoji. He was obsessed with Joe, and on the trail of the hiding Nedu. With his last breath, Nedu told Otoji, "Seiichi is living in Taiwan." Even though Otoji could not get his concern over his brother out of his mind, he chose to stay at Joe's side still. However, he felt the growing distance between him and Joe, who had became a member of the Tokiwa Syndicate due to Tooru's mechanisms – and it was at this time that he came to know of his mother's hospitalisation. Otoji planned to go back, but returned to Joe's side when he knew of Joe's feelings.

Joe and Otoji went to Taiwan in search of Seiichi, and there they finally met. But, Seiichi had became the adopted son of Wong Doi Fu, the Godfather of Hwa Li street, changed his name to Wong An Ri, and was lovers with his bondmate, Ri Yin. Agonised by his overwhelming feelings, beyond that of normal siblings, for his younger brother, Seiichi had wanted to be reborn and meet Otoji as another person. One day, troubled Otoji had to stand in for An Ri for a saxophone performance, and after that, seduced by Ri Yin, the two kissed .. and at that same time, Joe came to know the shocking truth – An Ri is just a body double, and the real Seiichi is Ri Yin.—!

There's someone I want to kill...
Since what's mine was taken away I'll take it back!
But..

I won't chase after what's left me!
I'm pathetic, ain't I?
Using violence against a single human.
That's why.
Please kill him for me
That I can't do Joe...

They had tried but even so, did not succeed. With no other choices they come here after being driven into a corner.
All the people who come to me are those that have tried their best.
If even that too hurts you. .
You don't really want it. You just want to test that power against the other
When it comes to a human life it won't be fair if we're not serious about it.
Then, I will kill him for you.

I'm the one that named you
I wish for your happiness as if you are my own child.
Joe ....
How about going in and having some Spicy Noodle?
The first time I met Seiichi
I realized that I was a total narcissist.
No other person knew him as well as I did
But that...

I knew it!
What would make him feel happy..
But the one that can do it isn't me...
Became the ruin of me.
What he really wanted.
Who he really wanted...
Are you going to keep on playing that role until Otoji-kun realizes that Li Yin is his real brother ---
Or his brother's?
Seiichi?
Who's replacement am I actually?
Ah...
Hasn't he already realized it...?
Actually....

Ah ...
Aah!
Alright then...

I'm going to go back to Japan.
Li Yin-san please tell my brother...
to stop the useless struggle to break the bonds of blood
No matter what happens
Brother is still my brother.
.... bye!
O--
We'll meet again...
tell him that

I won't regret it.
In exchange for that one wild, reckless moment,
Even if I would forever not be called "Brother" by him anymore afterwards."

SUDDENLY APPEARS
Tell me! Where did you take Otoji to?!
POP
He said that he'll guarantee Shihoko's safety if you stay here obediently for 1 more hour.
!?
It's Tokiwa Tooru...?!
Don't tell me that Julie's also...?!
She's at my house

But... I can't keep doing that forever
She has school and a family too..
For the past week
I've been hiding her on the base
So I made an agreement with Tooru to lure your man out.
And in return he won't bring me and Shihoko into this anymore
Why do we have to be victimized for your sake?!
Be-cause I'm JINXED

I hadn't wanted anyone to be hurt.
I had wanted to live life on my own
and yet ...
I went against my destiny
Otoji...
I wanted him!
za za za...
OTOJI !! ....
Boss, I've brought him here.

STRUGGLE
This baby here has never had a taste of human blood before.

No matter how much of a famous sword it is
In its current state it's of no value to me
Conversely, the scabbard is more valuable.
Look at this radiance.
There's diamonds embedded in it.
Don't you think that it's such an irony? Being unable to shine if it's not kept in the scabbard
Is that referring to you and Joe?
Why are you at his side?
..?!
That's for you, Kirishima Otoji.
#4#!

Like me and Joe.
Because you can't shine on your own
SLICE SLICE SLICE SLICE
So I'll give it to you
Radiance such that you'll become worthy of being placed into this scabbard
And the same for this too.

Run away if you're afraid
You're the only one thing that's his weakness aren't you?
!!
You want to see Joe hurt don't you?
That's why the most effective method is through you!
I'll definitely not let him lay his hands upon Julie!!
The one that he wants is me..!

I'm different from your sword!
I'm not kept in that scabbard but I have confidence that I am of value!
Don't make me any more amused than I already am.
I won't be responsible if you die later!
SLIDE
.....
Ah...!!

Go to the east gate.
There should be someone waiting for you
Can I ask you something?
Joe ...
It's time.

That ring... did you take it from Shijoko?
No
She left it with me for safe-keeping.
I see...

YOU'RE PUSHING THE WAY SINDBAWA
I'm glad that she's found her own too!
OW!!!
Leon, can you protect Shihoko?
Absolutely!
You're in no position to ask me that!
Then I...
Don't mind putting my life on the line for him

Deep appreciation to you dogs!

Tough job, huh, having to keep up with your boss's hobbies and whims?
How much longer is he going to keep being a spirit?
He only has this short period to have fun.
The Yokohama war is going to start soon.
He'll just torture him 'til he's half dead...
Don't worry. He won't kill your partner.
Right ...?

That's a good guess

It's getting closer and closer.

I do understand it somewhat
I too am dazzled by Joe's radiance.
What am I going to do?
Kill that guy in order to become free?
Then let's leave this place, too...
I have no choice but to disappear
Let's run away together
to somewhere that Tokiwa's reach doesn't extend to
Oto...

Hey...
let's do that Joe..!
This is the victory of the survivors..!
Otoji...
Fine, then...
Let's do it, Otoji.

That's the day when the Base is open to everyone! We won't know what Tooru would do!
You want to play on Friendship Day?!
!?
Play in a live
But before that, there's something that I want to do no matter what
But I would like to leave something of me for Yokosuka.
And also.. you said that you wanted to hear right?
I was really happy
In truth, I also wanted very much to play

Boss
Why are you so persistent when it comes to that kid?
Is it because he's Nedu's son?
Nedu had failed.
For as long as I can remember
AT THE MENTION OF "NEDU THE DEMON" EVEN THE TOUGH AMERICAN TROOPS STATIONED AT DOBUITA FELT FEAR - HE WAS THE NUMBER ONE OF THE TOKIWA GANG.
I've got no use for boring people like that.
I wanted to try having a fight to the death with him one day.
Nedu ran away from me in the middle of a game.
Stop.
Screech

Dogs that only curry favor with me are boring
Joe tried to bite me to death
That's one interesting dog...
.....
THIS IS CURRENTLY AN IMPORTANT PERIOD FOR TOKIWA TO MOVE INTO YOKOHAMA
ESPECIALLY TO ELIMINATE THE TAIWAN WEEDS THAT ARE FIRMLY ROOTED IN THE ISESAKI CITY FRIDGES
IF WONG'S "COOKS" KNEW THAT BOSS IS STILL ALIVE, THEY WOULD DEFINITELY COME AFTER HIM

An invitation to a date from Joe
No bringing fathers or brothers along!! Keep refreshment cost within 500 yen!
Congratulations on getting it up at last you two! But you practice Sport (athletics) in Taiyan or something!
This is not the time to play games with such brats! Boss, please behave in a more responsible manner!

Don't tell me that you plan to go...?!
This is a very important time for the group!

Don't ever get in the way of my love life again!
You're all boring bastards
Even Wong's assassins can't kill me
Keep in mind ...
All this blood-letting is not for the Group
It's for MY pleasure.

MONKEY ISLAND IS 1.7 KM OFF YOKOSUKA. IT TAKES ABOUT 10 MINUTES TO GET THERE BY BOAT AND IS THE ONLY UNINHABITED ISLAND IN TOKYO BAY.
IT'S ABOUT 4 TIMES THE SIZE OF YOKOHAMA STADIUM
IN THE PAST, IT WAS USED AS A MILITARY FACILITY BY THE JAPANESE ARMY AND THERE ARE RUINS OF THE FORT LEFT THERE EVEN TO THIS DAY
There's no way Tooru would go there on his own. His henchmen will probably check it out first
It gives me such a thrill ...
To think that crazy kid may be able to kill me

These days there's no one but some visitors who go there to fish and an old guard and all of them leave on the last boat
pours pours
Well then I'll go from the side facing the base
Other than the harbor itself there's only two other spots where one can dock a boat
If one goes in via the "Kakushi Wave Breaker" route one can be seen by the base so they will come in from the opposite direction
That's pretty pessimistic of you
WHAT A WASTE OF THE DAY...
Our chances of victory?
None
That way we'll have the whole place to ourselves. We can ravage it to our heart's content!
They're an organized gang, after all. There's no way we can beat them
We might as well relax and enjoy ourselves in the process.
Whether we kill Tooru and whether I disappear both are the same thing

I just got here, a while ago myself
thonk

Captain!!
Uwa - I've missed you so much! Why are you here?!
It's a request from Joe. He asked me to be here to see the moment your era begins.

I have been looking all over for you ever since I heard your performance on Friendship Day
There's a good feel about you
How about it? Would you like to try performing on a bigger stage?

FRIENDSHIP DAY = DAY WHEN THE AMERICAN BASE IS OPEN TO PUBLIC

First is the "Helnemann Jazz Competition" It's the gateway towards a successful professional career!
Eh... eh?!
He's a talent scout, Otojil
Wouldn't you like to have a career in music...?
How about becoming a pro? You have the talent.
It's not that easy. It's merely a dream for me.

It'll be a problem if I become unable to cum when I'm not in your hands

He's ...
planning to run away from me!!
Wait! Where are you...?
Narita!!
Stop it, Otoji!
No!
Joe's passport! It's not here!

Joe has his own pride, too.
He's not someone that can stand to see another person succeed
Much less see you throw away your own chances of success for his sake.
Don't stop performing just for my sake. You annoying idiot
Joe, you stupid idiot ...!
The saxophone's just...
Such a thing is --- !!
TIKONS

HONKKKKK
After all, he's a tough Yokosuka man!
Right, Captain?
He's not one that would be hurt by such things!
What's pride?
